Cancellation

Please be aware that you have 30 days from receiving the policy documentation in which to cancel the policy (“the cooling-off period”) without incurring any charges from thinkmoney insurance or giving a reason, providing you have not been involved in a claim or potential claim. If you cancel during the cooling-off period and your policy has not yet commenced you may receive a refund of any premiums you have paid. Further details can be found in your policy documents. If you do wish to cancel your insurance policy you can log into your account online at <https://gadget.thinkmoney.co.uk> or contact thinkmoney insurance on **0161 672 8991**. You should check your insurance policy for full details. After this period, you can still cancel your policy but you will not receive a refund of any premiums you have already paid.

If you do wish to make any changes to your payment details contact the policy administrator, Direct Group Limited, on **0330 102 6851**.
