Locations Where Cover is Provided

Cover applies to **gadgets** used in the United Kingdom, the Channel Islands and the Isle of Man and for up to 90 days abroad during any 12 month period. A replacement or repair can only be dealt with once **you** are back in the United Kingdom, the Channel Islands or the Isle of Man and all repairs must be carried out by a repairer approved by **us**.

Transferring Your Policy

This insurance cannot be transferred to anyone else.

6. Making a Claim

If **you** need to make a claim, please log into **your** online account at <https://gadget.thinkmoney.co.uk> and select 'Making a Claim'. This will provide **you** with step by step instructions on how to submit **your** claim and details of the information required.

Alternatively, **you** can contact the **administrator** on **0330 102 6850**. Lines are open 8.30am to 6.30pm (Monday to Friday) excluding bank holidays and 8.30am to 1.00pm (Saturday). Calls may be recorded for training, compliance, claims and counter fraud purposes.

Things You Must do to Make a Claim

You must comply with the following conditions. If **you** fail to do so, and this affects the ability of the **administrator** to fully assess **your** claim or keep our losses to a minimum, we may not pay **your** claim or any payment could be reduced.

- All claims must be reported to the **administrator** as soon as possible but in any event, within 14 days of **you** becoming aware of an incident. **You** must provide at **your** own expense, any information and assistance which the **administrator** may require in establishing the amount of any payment under **your** insurance.
- **You** must provide **evidence of ownership** of **your gadget** to support any claim, and any other receipts or documents that **we** may request. If **you** cannot provide **evidence of ownership**, **your** claim will not be valid.
- All thefts must be reported to the police within 48 hours of **your** discovery of the incident. **You** must provide the **administrator** with a crime reference number.

- If **your gadget** is lost, **you** must obtain a lost property reference from the police or a lost property reporting service which is accredited by the police, such as www.reportmyloss.com, and register a lost item. There may be a small cost involved in doing this which **you** will need to pay. If **your** claim is successful then **we** will reimburse this cost.
- **You** must report the loss or theft of **your mobile phone** to **your** network provider within 24 hours of the incident so they can block it and stop anyone else using it.
- If **your gadget** is damaged, **you** must provide the **gadget** for inspection and repair.

Repairs

Repairs will be made using readily available parts, which may be refurbished or unbranded. If **your gadget** cannot be repaired, **we** will provide a replacement **gadget** as per the Replacement Equipment section below.

Replacement Equipment

This is not a new for old insurance. **We** will attempt to replace **your gadget** with a fully refurbished **gadget** of the same make, specification, age and condition, but it may not be the same colour. If a fully refurbished **gadget** is unavailable we will replace **your gadget** with an identical new **gadget**.

In the unlikely event that this is not possible, the **administrator** will provide **you** with a fully refurbished or new **gadget** of a comparable specification or the equivalent value, taking account of the age and condition of **your gadget** immediately before **your** claim. If **we** provide a refurbished **gadget**, it will be provided with a minimum of a 90 day warranty.

Fraudulent Claims or Misleading Information

We take a robust approach to fraud prevention in order to keep premium rates down so that **you** do not have to pay for other people's dishonesty. If any claim under this insurance is fraudulent, deliberately exaggerated, or is intended to mislead, or if any deliberately misleading or fraudulent means are used by **you** or anyone acting on **your** behalf to obtain benefit under this insurance, **your** right to any benefit under this insurance will end, **your** policy will be cancelled without any premium refund and **we** will be entitled to recover any benefit paid and costs incurred as a result of any such fraudulent or deliberately misleading claim. **We** may also inform the police.

To prevent fraud, insurers sometimes share information. Details about **your** insurance application and any claim **you** make may be exchanged between insurers.

Other Insurance

If, at the time of a valid claim under this policy, there is another gadget insurance policy in force which covers **you** for the same loss or expense, **we** may seek a recovery of some or all of **our** costs from the other insurer. **You** must give **us** any help or information **we** may need to assist **us** with **our** loss recoveries.

You may be asked to provide details of any other contract, guarantee, warranty or **gadget** insurance which may apply to the **gadget**.

*Please note that if **your gadget** suffers a mechanical or electrical breakdown while it is still within the manufacturers' warranty, **you** should follow the warranty returns process as specified by the manufacturer.

7. Cancellation of the Policy

Your Cancellation Rights

You can cancel **your** policy within 30 days of the policy **start date** or, if later, 30 days of the date **you** receive this Policy Document. **We** will refund any premiums **you** have paid as long as **you** have not made a claim and do not intend to make a claim.

You can cancel **your** policy at any time but there will be no refund. This is because **you** will only have paid for the cover **you** have already received.

You can cancel **your** policy via **your** online account at: <https://gadget.thinkmoney.co.uk> or by contacting thinkmoney insurance on **0161 672 8991**.

The Insurers' Cancellation Rights

We reserve the right to cancel this policy immediately if **you** commit fraud. If **we** cancel **your** policy, **we** will do so in writing to the most recent address **we** have for **you**.

Your policy also will end automatically if **you** do not pay any premium when it becomes due. If this happens, **you** will be contacted requesting payment within 14 days. If **we** do not receive payment within this period, **you** will be written to again notifying **you** that **your** policy will be cancelled from the date of **your** first missed payment.

If there is a change to the risk which means that **we** can no longer provide **you** with insurance cover, or if **you** display threatening or abusive behaviour towards **us** or the **administrator**, **we** will give 60 days' notice, in writing to the most recent address that **we** have for **you**, that **we** will not renew **your** insurance. This means that cover will end on the date that **your** next insurance premium is due following the 60 day notice period.

Rights of Third Parties

A person who is not a party to this policy has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

For **your** information, the Contracts (Rights of Third Parties) Act 1999 allows a person who is not a party to a contract to be able to enforce that contract if the contract expressly allows him to or if the contract confers a benefit upon him. However the Act will not be applied if the parties make it clear in the contract that the third party does not have the right to enforce it. For further guidance please see www.legislation.gov.uk or contact the Citizens Advice Bureau.
